

### \*Velocity bundll Terms & Conditions

To earn Velocity Points with bundll, you must (1) download the bundll app (the **App**); (2) register as a bundll account holder and be approved by bundll to use the App; (3) link your current Velocity membership and bundll account; and (4) meet the additional requirements for Points earn activities listed below (see “On-going usage” and “Refer a Friend”). You can link your Velocity membership to your bundll account via the App, either during the registration process, or by going to your “Profile” at any time, selecting “Velocity account”, inputting your valid Velocity membership number, first name and last name and pressing “Confirm”. Reference to ‘bundll’ in these Terms and Conditions includes bundll and superbundll, where relevant.

**On-going usage:** Earn 1 Velocity Point for every \$5 repaid to your bundll account from your bundll funding source. Fractions of Velocity Points will not be allocated. The total Points awarded is calculated by applying the Points earn rate to the number of \$5 increments you have paid to reduce your outstanding balance, with increments of less than \$5 rounded to the nearest whole number. For example, a repayment of \$17.50 would earn 3 Velocity Points (3 x \$5 increments, with additional \$2.50 rounded down), while a repayment of \$17.55 would earn 4 Velocity Points (3 x \$5 increments, with additional \$2.55 rounded up).

**Refer a Friend:** Earn 500 Velocity Points when: (1) you successfully refer a friend to the App; (2) they link their Velocity membership to their bundll account via the App; and (3) they make their first transaction using the App or bundll Velocity card and make their first repayment. No minimum spend is required. To refer a friend, you must go to App home screen and select the “Invite” button on the “bundll buddies” tile. This will provide you with a 6 digit code to send to your friend. Your friend must apply using your unique six digit code. If your friend applies using a separate code or applies independently, you will not receive the Points. You will only receive the Points if your friend’s application is approved in accordance with bundll’s registration and approval process. You will not be advised if your friend’s application is approved or declined for privacy and confidentiality reasons. For you to receive the Points, your friend must be a Velocity member and link their Velocity membership to their bundll account via the App using the steps outlined above. You cannot refer a friend who is already a bundll account holder, or who has been a bundll account holder at any time in the 6 months prior to 1<sup>st</sup> September 2021. There is no limit to the number of times this offer can be redeemed. You must not market or promote this offer through paid advertising channels or to the public at large. Velocity and bundll discourage spamming. By participating in Refer a Friend, you agree that you must only send referral messages to close friends and family, and you must ask the person for their permission to send them an email about bundll. Sending emails to people without permission is considered spam. If you fail to comply with these Refer a Friend terms and condition, you will no longer be eligible for any bonus Points from Refer a Friend.

Velocity Points will be awarded to the nominated Velocity member account which is linked to the relevant bundll account via the App at the time of the relevant earn activity. If a Velocity member has enrolled in Family Pooling, any Velocity Points received will be awarded to the nominated beneficiary of the Family Pool. Velocity Points will be allocated to the member’s account within 2 business days of completing the relevant earn activity, unless otherwise

stated in connection with a specific campaign. Velocity Points are not exchangeable and cannot be taken as cash.

To earn Velocity Points you must be a current Velocity member. Velocity membership and Points earn is subject to the [Velocity Membership Terms and Conditions](#), and any changes to Velocity's member benefits and features, including Points earn with bundll, will be governed by those Terms and Conditions. Velocity collects and handles your personal information in accordance with its [Privacy Policy](#).

The bundll product and the bundll Velocity card is provided by humm Cards Pty Ltd ABN 31 099 651 877 Australian credit licence number 247415. The bundll product is subject to the [bundll Terms and Conditions](#) or the [superbundll Terms and Conditions](#) (as applicable). Bundll collects and handles your personal information in accordance with its [Privacy Policy and Credit Reporting Policy](#). humm Cards Pty Ltd is not responsible for the redemption of Points from Velocity - please contact Velocity regarding any queries relating to the redemption of Points. If you link your Velocity membership to your bundll account, bundll will share some of your personal information with Velocity. Velocity and bundll may use your personal information for purposes related to your linked accounts, including to: (a) confirm that you are a Velocity member, (b) link your accounts, and (c) allow you to access details about your Velocity account, such as your Velocity membership number, from within the bundll app.

You can de-link or manage your linked accounts at any time through "Profile" in your bundll Account.
